

# WHERE STORIES BECOME

# Legends

Our story began in 1977 when four brothers opened the first Turn 'n Tender in Johannesburg.

Since then we've become known for our love of great steak, excellent taste in wines 'n our warm 'n welcoming atmosphere where customers become friends.

We are the place for all those special celebrations 'n everyday occasions, because here is where you create a lifetime of memories over a meal.

The very heart of Turn 'n Tender is the memories you make with us 'n the ones you leave us with. They all add up to one great story: the stuff that legends are made of.

Turn 'n Tender  
Where stories become legends.
